

Guided tour at the Mini Mill

We welcome you on a personalized tour to see how we turn some of Iceland's finest wool into yarn. For a nominal fee and by appointment you may enjoy an educational tour of our mill. To schedule please contact us by phone at +354-846-7199, or by email: huldauppspuni@gmail.com. Your tour can take place during our regular opening hours as well as after hours. Tours are offered in English or Icelandic, but if needed we speak German and Swedish as well.

The presentation

Included in our prepared presentation are:

- *the history of Icelandic sheep in Iceland (since 874), as well as the history of knitting in our country. The story of Uppspuni's founding and the products we make at the mill.
- *a view of machine operation and an explanation of our wool processes.
- *a stop at the loft which houses our shop, and a relaxing cup of coffee.

The Yarn shop

Housed in our beautiful cozy loft space are unique gifts and Icelandic items handmade by local craftsmen, as well as a large selection of our Uppspuni yarn and spinning fiber.

We welcome you to visit our shop during regular opening hours.
